

ATE Quality Policy

1st April 2022 Rev. 0

Armstrong Timber Engineering Ltd provide a comprehensive range of Timber Engineering Solutions for the construction industry including Posi Joists, Roof Trusses, and Timber Frame Houses, all of which are manufactured in our manufacturing facilities in Arklow, Co. Wicklow.

Our vision is to manufacture exceptional quality timber products to meet the needs of our customers.

Management is committed to the long-term development of the company by meeting customer needs with quality products. We place our employees at the centre of this vision, and value all our employees and will endeavour to create a safe and positive working environment where all workers are treated with equality, dignity, and respect.

Our management style is based on collaboration, engagement, and shared values. These values are based in honesty of effort, trustworthiness, mutual respect, commitment to quality while understanding the need for flexibility, speed and innovation of operations dictated by rapidly changing needs of our customers.

As a construction timber engineering company, we are always customer focused and we strive to anticipate the market and customer needs and adjust, advance, and continually improve our technology to provide a reliable, accountable, and efficient service to our customers.

It is a primary goal of Armstrong Timber Engineering Ltd to provide professional and innovative bespoke solutions to our clients. To support this core value, we make the following key commitments:

- To have a strong sense of service to our clients
- To foster trust through the reliability and consistency of our service
- To work as a team with our employees, clients, suppliers, and subcontractors
- To comply with legal requirements, customer requirements and the requirements of standards of best practice to which we subscribe.

The company will make copies of this quality policy available to all persons working for or on behalf of the company, including employees, contractors, as well as visitors, members of the public and statutory bodies.
